Introduction

The main purpose of these book series is to provide you an impressive and invaluable collection of English Grammar multiple-choice exercises. This book comprises different items and will take you on a beautiful journey towards improving your English. The following subjects have been created with regard to: Present simple, Past simple, Future simple, Present continuous, Basic english structures, Modal verbs, Passive voice, Conditionals, Short answers, Adverbs, Adjectives, Numbers, Prepositions, Tag questions, Infinitive and Verb+ing.

There will be four levels of difficulty in my English Grammar Exercises books: Beginner, Pre-intermediate, Intermediate and Advanced. This book deals with Beginner and Pre-intermediate levels.

Please keep an eye on further releases.

Good luck!

Conclusion

In conclusion I want to thank you for buying my book and I hope you find it useful. Please pay attention to further personally crafted “English Grammar Exercises with answers” books which I intend to release. I’m going to launch another one in the near future.

Write a review

I am constantly improving my books and my work, trying to deliver to my readers the best quality information. To improve my work and myself as a human being, I need organic reviews to know where I am wrong or where I have made mistakes. Remember, there is no such thing as a perfect book, it needs updates all the time, especially if it's digital. If this book has been useful to you, please, write a review with all your thoughts. It won't take more than 1 minute. If you didn't like something from this book, please contact me and I will try to solve your problem.

Honestly,

Daniel B. Smith
